Hello, my name is ○○.
Today, I'll talk about BBQ with
my friends and family. There are
three reasons, why I like BBQ.
First, it's fun to make a fire. It's
so difficult, but it's fun when I can
make good fire.
Second, you can grill whatever
you like. For example, beef,
sausage, and smores. I recommend
the smores. Do you know s' smores?
It's a sandwich of marshmallows
with crackers. It's so delicious.
Third, by having BBQ, you can
make friends you don't know. It's
always so fun to grill together with
someone. By cooking and eating
together, food is much more
delicious. Let's enjoy BBQ
together. Thank you very much.
